Ask the Zoning Inspector

Q. When and where can I put up political signs?

A. The Zoning Ordinance states “political campaign signs for candidates or ballot issues shall be permitted during the election cycle provided no signs shall be placed in the public right-of-way.” Generally, they must be placed inside the sidewalk, not between the back of curb and the sidewalk. Where there is no sidewalk, signs should be at least ten feet in from the back of the curb. The signs must be removed seven days after the election. See Section 6.10E of the City-Zoning Ordinance. General and Zoning Ordinances are available on the City website: www.city-chelsea.org.
