

Mark Carpenter hired into the Village of Chelsea in September of 1997. He worked at the Chelsea Landfill through 2004. In August of 2004 Mark started as an apprentice lineman through the Chelsea Electric Department. He took classes through the Great Lakes Energy Joint Apprenticeship Program. Mr. Carpenter completed all required course material and worked at least 7000 hours as an apprentice lineman.

The City of Chelsea would like to commend Mark Carpenter for his hard work and dedication.
