

Nixle

This year, the City of Chelsea Police Department launched a new Community Information Service designed to deliver important and timely information to residents in our area using the latest technology.

This service, created by Nixle, LLC delivers trustworthy and important neighborhood-level public safety and community event notifications by web, e-mail, and cell phone.

Nixle is simple, trusted and available at no cost.

Residents of Chelsea can now take advantage of Nixle! Nixle is a community information service that alerts you to public safety threats and community events via web, e-mail, and cell phone. Sign up at www.nixle.com to register. Sergeant Pulford says that Nixle is a fantastic opportunity for police and citizens to connect using real-time cutting edge technology to keep the citizens of Chelsea informed on crime trends, lookout alerts, suspect information, crime alerts, travel advisories and more. The technology is geographically targeted to citizens, which allows for the transmission of pertinent information based on individually set preferences.
